1 Read the Budget estimate of the Town of Shimoga prepared for the year 1884-5. The estimated income as compared with the estimate for 1883-4 is as follows,

	1884-5	1883-4.
Octroi on Jaggory.	200 -	324
Sugar.	100.	106
Cocoanuts dry	40.	50.
—— Fresh.	110.	200.
Betel leaves.	180.	270.
Sharp and goats.	200.	240.
Oil -	250.	470.
Tobacco	250	490.
Piece goods.	3400.	3100.
Total.	4730.	5250.
Mohatirfa.	7500.	7400.
Cattle pound.	205.	250.
Miscellaneous.	445.	250
Grand Total.	12,880.	13150.

Except on piece goods the octroi on all other articles estimated for shews a decrease in consequence of large quantities of duty-paid tobacco remaining in store in the current year and of the realizations from the other articles having fallen off. The Board considers that there is reason to believe that the decrease is due

to smuggling which with
the limited establishment
of Rakkars cannot be
completely checked.
The entertainment of
more Rakkars to watch
all the roads and pathways
leading into the town
is, under the present
financial condition
of the town, not feasible
Some of the members
observed that should
the Government approve
of the proposal made by
the Board some time ago
for being relieved of the
cost of maintaining
the town police establishment
which presses heavily
on the Municipality,
the Board would be in
a position to strike off
all the articles except
the piece goods &c.

action but as had been done in the case of other Municipalities of this District But the President having read the Secretary No: 7312/316 dated 3d. March/83. and informed the Board that the Government did not sanction the proposal for transferring the cost of the Police Establishment to the Provincial Police Budget, the matter was not pressed further. The only original works proposed is the construction of 10 dust bins and two more lamp posts. The unexecuted works of 1883-4 are provided for as directed in the Dewa Proceedings no: 5491-9/98 dated 23rd Ultimo. The Board approve the Budget as prepared.

2. With reference to the Proceedings of the Board dated 11th July 1882 on the subject of improving the drainage of the town on a comprehensive plan was discussed - Resolved that the Government be again requested to afford help to the Municipality in getting Major Babingston's project professionally examined and revised with reference to the present condition of the town as when the project is sanctioned, the Municipality would be able to execute it out of the surplus revenue.

3 Read Shimoga Amildars Hilla no. 93 on the petition of one Sayad Khasim abbayya for the contract of carrying fees "

market on the Weekly
fair days according to
the system said to be in
force in Bangalore and
Mysore. The Board
consider that such a
system would tend to
discourage trade - Resolved
that the application be
rejected
4. Read Shimoga Amildar's
Bill a no. 152 regarding
the balance of Rs. 26 - " - "
still due by Shripatirao
for the building site
purchased by him.
Resolved that Shripatirao
be permitted to pay the
sum at Rs. 2 - - - per month.
5. Read Amildar's
no. 161 dated 14th January
1882 stating that the tailors
the pits in whose backyards
were ordered to be filled
in with the Municipal
sweepin

sweepings on condition
of their covering each layer
with a thick coating of
mud request permission
to cover the sweepings
only with one layer of
mud at the top. Resolved
that having due regard
to the health of the people
in the neighbourhood
no modification of the
order passed in para
7 of the Boards' Proceedings
dated 10th September
last is practicable.
6. The piece goods manufactured
in the Mysore Province
being exempt from
octroi duty the question
how the octroi official
should distinguish
the Mysore goods from
the exactly similar goods
of Her Majesty's country
in the absence of any
Trafee seal affixed on
the former in the place

of Manufacture was discussed. Resolved that before considering the question the practice prevailing in Mysore and Bangalore in this respect be ascertained.

To

The Secretary to the Govt

Sir.

I have the honor to submit for sanction the Budget of the Minor Municipalities of this District for the year 1884-85.

As the proposition submitted last year for defraying the entire cost of the Conservancy and repair of streets and roads has not been sanctioned by the Secretary, Docket No 531 dated 5th April 1883, provision has been made in defraying the

the Dispensary charges and the moiety of the cost of repair of schools in municipal towns from the municipal Budgets, excepting in the case of the town of Nagar the revenue of which being very small, the whole of the Dispensary charge will be met from the District Funds as specially directed in the Divan's Proceedings No: 5303-6/297 dated 14th January 1884.

With reference to para 6 of my letter No. 1272/872 dated 29th March last proposing to take from the Shimoga town a sum of Rs 2/- which was being taken from the Sorab and Nagar towns to make up the

Mar

pay of the District Municipal Clerk but which could not be so taken last year in consequence of a falling off in the receipts, I have the honor to state that it has now been found convenient to provide the above sum in the Budgets of Sorab and Nagar as usual.

In the Budget for the Sirsthahalli town, provision has been made for the maintenances of an English school on the scale noted in the margin in anticipation of sanction to recommendation made in my letter 952/688 dated 23rd November last, to the address of the Education Secretary.
